1209 GOLF COURSE ROAD, MONTICELLO, MN 55362

IN LOVING MEMORY OF
MICHAEL ZIMANSKE
(AUGUST 1, 1991-MARCH 10, 2005)

At age 7, Michael was diagnosed with Schimke Immeousis Dysplasia- a rare genetic syndrom that encompassed five different areas of his body: kidney disease, growth issues, vascular abnormaltiies, hip/ joint dysfunction, and freckled mascules on his uppor body. Michael transistioned into a wheelchair the spring of 2000, he joined the MN Royals wheelchair basketball team which gave him the opportunity to still foster his competitive spirit and need for speed. Through many ups and down relating to his medical condition, wheelchair basketball was the constant in his life. After a very hard, long road of surgeries, infections, and numerous hospital stays, we lost our Michael in March of 2005. We reflect on his lessons that Michael taught us about life and family by his example as well as lessons on and off the basketball court.
